

## ALGONQUIN HUNTING UPDATE 2007/2008

It is that time of year to start making plans for this year's harvest. Last year the ANRs worked with the MNR towards a Hunting Management Plan. The Management Plan is a joint plan between the 10 Algonquin communities (Pikwakanagan, Greater Golden Lake, Bancroft, Antoine, Whitney, Mattawa-North Bay, Bonnechere, Ardoch, Ottawa, Sharbot Lake) and the MNR. This is the second year of this plan. The Ottawa Algonquin First Nation will be assuming responsibility for Ottawa's commitment within the plan regardless of our departure from the negotiation table.

This year there will be a draw system for both inside and outside the Park similar to past years, but it will have a new format.

Here are the Changes:

- a) Inside the Park: 6 names to an adult tag and 1 to a calf.
- b) Outside the Park: 6 names to an adult tag and 1 to a calf, but calves will be limited in WMUs 48, 55A, 55B, and 57 to help increase the herd.
- c) Outside the Park: there will be a special Bow Hunt in some of the WMUs and it will require 2 names to an adult tag and 1 to a calf tag. This special Bow Hunt will have different season for different WMUs.

### **The following is a list of the dates for Bow:**

In WMU 48, 55A, 55B & 57 the season begins on September 15, 2007 & ends on October 8, 2007.

In WMU 58, 61, 62, 63, 64, & 65 the season begins on September 15, 2007 to October 8, 2007,

**Closes and Reopens** on November 20, 2007 and ends on January 15, 2008 (with the exception that the season for cow moose will close on December 21, 2007)

**Note:** If you decide to apply for a bow tag you will not be able to apply for a rifle tag but will still be able to participate in the rifle hunt or visa-versa.
